Henrywood's Highlights

A series of articles titled "Henrywood's Highlghts" preceded the *Recorder News* and appeared in the bulletin of the Transferware Collectors' Club. They contain much information which has not been covered in *The Transferware Recorder* and it is hoped this index of subjects and manufacturers might prove useful. The issues can all be accessed on the TCC website. It must however, be noted that the articles are inevitably dated and more complete information on some of the topics may be found in the volumes of *The Transferware Recorder* or on the Reynardine website.
